AFTERWORD
Well, hello!
Nice to meet you!
This is a new experience.

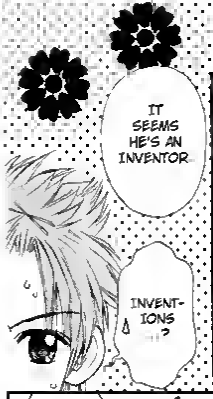
I'd like to thank you for buying "Sleeping Beauty" Volume 1.

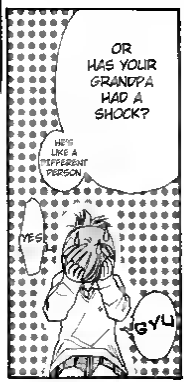
I got the idea for this title because I'm learning english (sorry). I know what you're thinking,

That its based on the english story about a princess in a castle, in a forest who can't wake up until she is kissed by her true love.

The only thing that's the same is the title, which I thought up myself. Sorry. Anyway Kanba has a double meaning.

I'm still learning.





KASA KASA
GRANDPA, I ALMOST KNOW NOTHING ABOUT HIM.
I DON'T KNOW THE REASON WHY-
Has he had a shock?
What kind of person is he?
ABSENT MINDED
Yes well I don't remember much else
HEY
awhile ago—
KANNA--♡
I'VE BEEN LOOKING FOR YOU.
This this guy
Wow!

I WAS MADE FOR KANNA'S SAKE
WH... WHAT ARE YOU SAYING? WELL, WELL

YOU MEAN YOUR FRIENDS ARE DORAEMON AND THE TERMINATOR?
not but wrong
WELL

THINK I'M STUPID!?
THAT STORY IS OBVIOUSLY A LIE.

IF YOU'RE GOING TO LIE, THINK OF A BETTER ONE.
EH?

I didn't know how much the magazine wanted on 1 page so this s the revised version All the publicity is good (I wrote this as part of it) but I forgot to revise it again The magazine must get annoyed with me at publication time. Sorry there are reasons for it being this way, but you mightn't understand yet Sorry Please enjoy what I have done it's all thanks to Margaret Comics

Enjoy :D

Challenger!
The name "Mikoto" (lord) is a name that I stopped thinking of as associated with "Mikoto" (still kute) during "Happy Family Plans"
I used it all around because of the name association with "suffering cow"

Note: honestly don't understand what she means here some kind of pun that I can't pick up on I think
Brandi

Note: Happy Family Plan is known as Akarui Kenzoku Keikaku.

Eeeh, you're probably asking "Why's there suddenly a robot?" When I was in the middle of working on a previous series I watched a DVD of an SFX robot from BGM which triggered a "Ah, that's pretty cool" or something like that. But the robot I saw then was huge. Back then, because I thought that girls like Aya Ueto and Emi Suzuki with sort-of slanted eyes were cute. I made the face of the protagonist smart with the eyes a little like that. Lately, I've thought that soft girls were nice. Basically I like chubby women. (It's not just personal.) It's better if girls aren't too skinny.

BAM
I was lonely
Gradually the letters stopped coming
KANNA, WHY DID YOU LEAVE YOUR FRIEND OVER HERE?
Grandpa...
THAT'S NOT MY FRIEND!
IT'S ONLY A STUFFED TOY
WE CAN'T PLAY TOGETHER
IT'S NOT MOTOI-KUN!!

SO IT'S THE SAME AS "MOTOI-KUN"
SO THEN YOU CAN PLAY TOGETHER

Author's Note
Once I got the outline of Kenna's school uniform I was happy with my creation. The shirt is standard but the top half of the uniform can be varied so there are a number of possible uniform combinations
When I was at Kitsu School wearing the P.E. or swimming uniform was voluntary. Since I'm writing about this shall I tell you about my Kitsu student days?
I guess this note can be about anything, so here are some details
There were
1 The Love group
2 The Bad group
3 The absurd ones
4 The story-telling ones.
Is that enough?
Please write letters about what you want me to write about in the notes for volume 2
Thank you!
WHO'S FAULT DO YOU THINK IT IS?
This easy going android!
STOP IT! THAT'S WEIRD!
eh?
MAMA ISN'T COMING HOME?
eh?
BUT IT'S CONVENIENT
TURN IT OFF!
YES, OKAY, TAKE CARE!
SEE YOU LATER.
BANNED
CONFIDENT
The trains aren't working so Papa can't make it home either
SOUNDS LIKE A PRETTY BIG POWER FAILURE
hey
BUT WHAT WILL YOU DO?
THEY CAN'T RESTORE THE POWER AND I'M ALREADY TIRED
For now?
hey
!

WELL I'M TIRED
I'M HERE, TO BE WITH KANNA ALWAYS
WELL I GUESS BEING HERE IS ENOUGH
I'M ALWAYS BY KANNA'S SIDE
BECAUSE I EXIST FOR KANNA'S SAKE
she
YOU CAN RECHARGE
It's impossible!
AH... THE POWER FAILURE!
pat

WELL I'M HUNGRY, ARE YOU GOING TO COOK SOME RICE?

Eh...

A mass-age?
This is nice
Kanna the nice is cooked!
Pata Pata
I EXIST...
TO BE USEFUL FOR KANNA
NO, NO, I CAN'T I'D TURN INTO A HELPLESS GIRL

IS THAT ENOUGH?
WHAT AN ANDROID CAN DO IS UNCLEAR TO ME
BUT FOR MY SAKE YOU WOULD DO ANYTHING I SAY?
WHERE IS YOUR FREEDOM OR FEELINGS?
THAT KIND OF...
THAT KIND OF MOTOI WOULD BE PITIFUL
HOW UNFORTUNATE

IT'S OK
MY HAPPINESS IS HERE
MY REQUEST WAS...
TO BE GIVEN TO KANNA
THE STUFFED TOY COULDN'T DO ANYTHING
BUT NOW I CAN DO ANYTHING FOR KANNA
MAYBE KANNA DOESN'T BELIEVE OR IT'S UNCLEAR BUT
THINGS ALSO HAVE FEELINGS

NOW ALL
MY FEELINGS ARE FREE

Author's Note

Oh yeah recently I've REALLY come to like pickles (If we're talking about this it's proof that I've run out of topics)
For a time I only ate kimchi but now I like yuzu daikon and 4 layer pickles They're the relatively sweet types.
When I was a kid I hated them and couldn't eat them but recently when I try I eat them That's right Oh however umeboshi are no go
I hate shiokara and can't eat it I use it in cooking but (eating it) as it is is impossible

Oh yeah – recently (by the way it's presently 4/22) they're not selling 4 layer pickles It might be because it's a seasonal item Only in the winter and the like. If I could go to Kyoto I wonder if they are selling it even in summer What about that? Kyoto people. If you don't mind please tell me Even though I'm saying that... I can't go all the way to Kyoto to buy it though you know (Moreover it's cause) I'm in Tokyo.

I HAVE TO COME TOMORROW
I'M WORRIED ABOUT KANNA.
YOU CAN'T...

The chapter's free talk was actually just the address where you can write to Yoshihawa Arata. So I've decided not to include it.
Instead on behalf of all the Boku-tachi staff, I'd like to wish you all a Happy New Year! The chapter is quite interesting, so I hope you all enjoy it!

Author note

At the time of the previous comic (Ichiban!!! #2), I shaved my head, kept it until about New Year's and made an announcement that "this year, I'm going to keep my head shaved all year!" but
But after all, how to put it? it's become a hassle and now my head looks like a monkey. Even though I went to all the trouble of buying an electric hair clipper because it's a realllllly befitting hairstyle when I'm out and about, I can't be without a hat

So for that reason, as usual excuse me for the slap-dash sentences. This is the type of person I am, but for the time being I'm going to go forward doing my best and if you don't mind, please read Volume 2 also. Well then Volume 2 is next...

Hey!
I ALSO LIKE THAT YOU UNEXPECTEDLY BLUSH SO EASILY
I WON'T FORGIVE YOU IF YOU SAY THOSE STRANGE THINGS AND DO SOMETHING WEIRD AGAIN
